

Bibles

Choosing the right Bible is a very personal decision.

First, which translation do you choose? This can depend on how you plan to read your Bible. The King James Version (KJV) appeals to those who like traditional, poetic language. The New International Version (NIV) is popular with readers favouring contemporary English. The Clear Word paraphrase was created with ease of understanding in mind. The International Children's Bible (ICB) offers child-friendly English.

Bibles are available in many durable and colourful bindings, some offering thumb indexing, ribbon markers and integrated study plans. As you browse our catalogue, we're sure that you'll find the perfect Bible for your needs.

Children and Youth

Dancing in the Desert Devotional Bible (NLT)

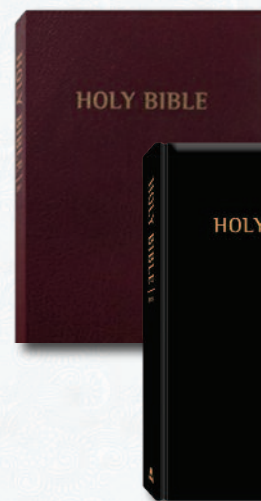

Stories of Scripture are often portrayed two-dimensionally, making people in the Bible seem familiar, predictable, even flat. We don't always read their stories with much awareness of the pressures they faced, the doubts they had, the assumptions they made, or the alternatives they chose.

The Dancing in the Desert Devotional Bible in the New Living Translation (NLT) encourages us to take an honest look at the people in the Bible.

Chris Tiegreen, author of many popular devotionals for both men and women, has written 270 devotions that explore the lives of people in the Bible and how they faced their own life's wilderness and found meaning, significance, and purpose with God. When we keep our gaze fixed on a story bigger than our own lives, we, too, can learn to dance in even the driest of our deserts.
