This can be a great way to share your faith without saying a word: pass on the message in a non-threatening way that will touch someone's heart long after you've said goodbye.

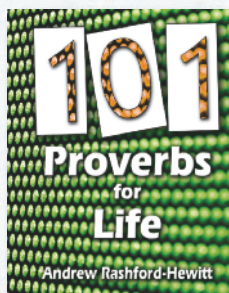

As Light Lingers

Jesus waits patiently for us to meet with Him, to seek Him in His word. The Bible is living, powerful, and alive! It can speak to our heart and soul and our needs today. And the devil uses every possible device to keep us away from reading the Bible, whether through apathy, busyness, doubt, or tiredness. Keeping our Bibles closed is his number-one strategy to weaken the lives of Christians today.

Whether you are a teenager or a professional, dating or married, or if you are a tired parent, you will find encouragement, advice, and practical strategies in this book. In it, you will discover how basking in the power of God's Word will make you want to linger with God – because time with Him is so sweet.

His word speaks about kindness, and in this little book Elize Hibbert gives practical examples of what that means in our modern lives – practising 'kindfulness' instead of mindfulness can be surprisingly hard, but immensely worthwhile!
